

Award Value and Conditions

Value of Award

Fellows will be remunerated on the Registrar salary scale (€51,273 – €61,282). This is subject to tax and PRSI, and will be paid through the host institution.

Travel grants may be paid to fellows by a participating institution towards the cost of attending one international conference per year.

Conditions of Award

Fellows are permitted to undertake a maximum of two clinical sessions per week.

Fellows must participate in the formal taught sessions of the fellowship programme.

Fellows will be expected to provide annual reports to Molecular Medicine Ireland describing their progress and an end of grant report on completion of the fellowship.

Fellows must acknowledge their participation in the programme in any publication or presentation of their research.

Duration of Fellowship: Up to three years. All successful applicants must register for a PhD.

Where Tenable

Fellowships in this programme are tenable only in the following institutions:

National University of Ireland, Galway

Royal College of Surgeons in Ireland

Trinity College Dublin

University College Cork

University College Dublin
