BIGSS '10

BIOPHOTONICS & IMAGING GRADUATE SUMMER SCHOOL

August 27th – September 2nd 2010

The Burren, Co. Clare, Ireland

Deadline May 31st!

The premier photonics experience for graduates & early stage researchers!

We proudly present the 3rd instalment in our exciting series of graduate summer schools featuring another extensive and stimulating line up of talks focussing on the evolution of bio and nanophotonics towards the clinical domain. Supplemented with industrial workshops and a special talk from a commercialisation and innovation expert; this years event cannot be missed.

Guest Speakers include:

**Bruce J. Tromberg, Stefan Andersson-Engels,
Jürgen Popp, Jörg Enderlein, ... and many more!**

**Courses • Hot Topics in Photonics • Industry Sponsorship
• Student Workshops • Demonstrations • Poster Competition**

**For further details and registration please visit our website:
